Dear Mr. Poté

Re : SAVE THE PRESS - Anti-censorship Campaign

I refer to my visit to your office on the 2 January 1990 and our discussion about the above campaign.

I am enclosing background material to SAVE THE PRESS and two invitations, one as a participant and one as an observer. Input from the NPU during discussion and debate would be appreciated and I sincerely hope you will be able to attend. Please contact me at the Acag office or my home telephone number 648-3587, I will gladly supply any further information you might require.

Yours faithfully,

Gail Behrmann
