CAMPAIGN FOR FREEDOM OF MEDIA

Dear Gail

Thank you for your letter of February 25 enclosing copies of the constitution and minutes. I note the new name and we have opened a new file under that head.

Our correspondence seems to carry some kind of nemesis. Your letter only reached us yesterday in spite of being correctly addressed this time.

You have done a good job. I gather from your letter that you have now completed your assignment. Thank you for serving us with these documents.

I am not quite sure what our future relationship with the new body will be. This is something the council's executive will have to sort out.

All strength to you in your future undertakings.

Sincerely,

Bob Steyn
